Re: Clariant Corporation Supplemental Information

Dear Ms. Milette:

Enclosed is the cover letter that was sent with Clariant's supplement to its previous submittal of customer data sheets. As I told you by telephone on Monday, one additional customer responded last week. The information from that customer was sent, noted as Confidential Business Information, to Ms. Toscano. Clariant also prepared a spreadsheet summarizing the information in the data sheets, as each data sheet represents one discrete product sold. I think the spreadsheet creates a more useable format for the information. Please feel free to contact me if you have any questions about this supplemental information.

I will update you next week with regard to the remaining customer responses. We will continue to work on obtaining those.

Best wishes for the New Year.

Sincerely,

Erin Russell
